# Schedule of Fees & Charges 2026 (continued)

## Payment of Fees and Charges

The Parents are to pay all Fees and Charges in advance. Payment may be made using a Corporation-approved payment method and paid either at the end of the first week of each term (where no direct debit arrangement is in place), or via a Corporation-approved direct debit arrangement, other than Fees and Charges on amended invoices raised for mid-term enrolments, which the Parents are to pay within seven days from the date of the invoice.

If the Parents fail to pay an invoice for Fees and Charges within 21 days of the due date, they will be liable to pay an overdue charge which reflects (among other things) the administrative and financial cost of collecting the outstanding Fees and Charges. The Parents may enquire as to the current amount of the overdue charge at the Group Office of the Corporation.

There are several Corporation-approved payment methods available for Fees and Charges, which include:

1. BPay®
2. Online, by logging into the Parent Portal (<https://edumate.claremont.nsw.edu.au>) to pay by credit card or bank account. (Visa, Mastercard or American Express are accepted with a 0.9% surcharge on all transactions.)
3. Direct Debit arrangement, which can be set up by logging into the Parent Portal (<https://edumate.claremont.nsw.edu.au>). This arrangement will automatically debit amounts on an agreed schedule from your nominated bank account or credit card, such that full payment is made by the end of November in each calendar year. (Visa, Mastercard or American Express are accepted with a 0.9% surcharge on all transactions.)

The entire year's Fees and Charges may also be paid at the commencement of the year.

## Withdrawal of a Student

The Parents are to give at least one full term's notice in writing to the Principal before terminating the Student's enrolment. The notice must be given no later than the day before the first day of student attendance of the last term of enrolment. If the Parents do not give one full term's notice of termination of the Student's enrolment and the College is not reasonably able to immediately fill that place for that term, the Parents must pay a School term's Fees and Charges in lieu of notice.
